## ***Hello Cattle Producers!***

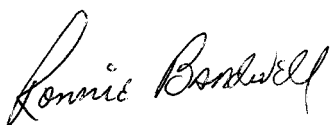

This year's Sale brings a group of highly pedigreed cattle that the Hereford breed has to offer. These genetics are available through your selection of replacement females or your next herd sire. Consignors are bringing you some of their best for your appraisal, whether you prefer polled or horned.

Our Association continues to make all cattlemen aware of the benefits of Hereford genetics. That "white face" will enhance any breed of cattle to produce a quality hybrid vigor progeny in your herd.

Pick up a buyers number before the sale.

Pollettes will offer Louisiana strawberries after the sale. Juniors will offer a Saturday lunch.

We'll pass a good time, so come join us.

Ronnie Bardwell, PhD.  
Sales coordinator

## **Polled & Horned Hereford & FI Sale**

## **TERMS AND CONDITIONS**

### **TERMS**

**In order to purchase cattle this year, you must obtain a Buyer's Number before sale begins.**

Cash or check. Each animal to be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until settlement has been made. Cattle must be picked up immediately following the sale. Each animal will be at purchasers' risk immediately after the animal is sold.

Registration Certificates of the animals will be transferred to the buyer at the seller's expense. All calves born before the sale will be registered by the seller. All calves born after the sale will be registered by the buyer.

Each buyer must be sure to give the clerk his proper name and address for making transfers. A.I. certificates will not be furnished by the seller on females carrying the service of non-owned A.I. sires.

### **EPDs**

The EPDs listed herein are as reported by the AHA and were accurate at press time. Consignors will not be responsible for changes in EPDs or if these cattle do not perform as indicated by their estimated EPDs.

**Hereford bulls born after January 1, 2011 must have a DNA profile recorded at the American Hereford Association before any progeny can be registered. It is the buyer responsibility to complete this procedure.**

## HEALTH

All cattle selling will have interstate health charts required for shipping into other sections of the United States.

All females that are old enough are officially **calfhood vaccinated**.

Bulls older than one year of age will have a Breeding Soundness Exam (BSE) and bulls older than two years of age and non virgins will have been tested for Trichomoniasis.

## ANNOUNCEMENTS

Announcements at the sale ring by the owners or auctioneer concerning the cattle will take precedence over statements in the sale catalog.

All persons who attend the sale do so at their own risk, and the owners and the sale manager assumes no liability, legal or otherwise, for any accidents that may occur.

As representatives of the consignors, the Louisiana Polled Hereford Association has no responsibilities other than those involved in conducting the sale.

## EPD ABBREVIATIONS

Birth weight (BW); Weaning Weight (WW); Yearling Weight (YW); Material Milk (MM); Milk and Growth (M&G)

Rib Eye Area (REA); Rib Eye Area per hundred (REA/cwt); Back Fat (BF); Intramuscular Fat (IM)

Official Calfhood Vaccinated (OCV)

## WARNING

Under Louisiana Law, a farm animal activity sponsor or farm animal professional is not liable for an injury to or the death of a participant in a farm animal activity resulting from the inherent risks of the farm animal activity, pursuant to R.S. 9:2795.1.

## *In Memoriam*

**Robert Oramel Hinckley**

**1931-2018**

This 2018 Bayou Classic Sale is dedicated to our friend and fellow cattleman, Robert Hinckley. He was loved by all of us and there will be a “void” because of his passing. We say thanks for all of his contributions to the Louisiana Polled Hereford Association.

Born to us on December 7, 1931 and went home on January 1, 2018. Robert was born to Arthur and Roberta Drew Hinckley. There were three brothers and four sisters in his large family. He attended Academy of Immaculate Conception (A.I.C.), now Opelousas Catholic High School. Robert was a brilliant scholar. He received his bachelor of science mechanical engineering degree from Southwestern Louisiana Institute, known today as University of Louisiana at Lafayette, in 1951. One year later, he received a masters degree from Louisiana State University in mechanical engineering.

Robert spent 20 years in the United States Army and was discharged in 1976. After his

military service, he became a civilian contractor and did business around the United States, from Seattle, Washington to White Sands, New Mexico.

He had broad knowledge and expertise in nuclear weapons along desires in the development of guided ballistic missiles, in the early stages.

Robert was a private individual, but he loved cattle, especially Hereford; polled, that is. As a breeder in the town of Washington, Louisiana, he was willing to assist local youth in showing some of his calves in the 4-H and FFA programs. If you were a child with some type of disadvantage, Robert had a special interest in you. As with his cattle and if you were a cow in his herd with a newborn baby, you were special. He would spend hours with a small rolled up bag of feed for every new mother and made sure they got what he had for them. Boss cows in his herd was no match for Mr. Robert's patience.

Robert was a very analytical person and was passionate about his forages. His investment in a plant-o-vator not to many years ago was something his was very proud. This tool gave him the ability to interseed any forage seeds into his bahia/bermuda pastures without destroying his permanent stand. Robert could be seen at any educational program throughout the state. His involvement in the last 26 Bayou Classic sales was a priority for him. If he was delegated a task, you were sure it was going to be done!

Robert was a lifetime member of the Louisiana Polled Hereford Association, board member for the last eighteen years, and was serving the association as vice president.

The Louisiana Polled Hereford Association will dedicate a \$500 scholarship in memory of Robert Oramel Hinckley. Anyone wishing to contribute to this scholarship should mail their contributions to Kay Lewis, 30301 North Railroad Street, Angie, LA 70426.
